Paris-Nice 2016

2

One race a year ...

by UCI regulations, a WorldTour cycling team can change its name. During Paris-Nice 2016, **Lotto Soudal** rode under the team name **Lotto Fix ALL**, highlighting Soudal's most globalized brand: the glue kit named Fix ALL®. This was activated 360°.

Sports comes first

With 22 teams competing, **Lotto Fix ALL** won 1 race out of 7 with Tim Wellens (one race was canceled due to poor weather conditions). The prestigious last race finished on the Promenade des Anglais in Nice. On Wednesday's race our sprint bomb André Greipel finished in 3rd position (even with 3 broken ribs!). Not forgetting Thomas De Gendt, who was one of the most attacking riders of Paris-Nice, ending up in 3rd position in the mountain classification. And finally, Tony Gallopin rode an impressive Paris Nice race, leading him to 8th place in the final GC!

Subject: Press release Lotto Soudal: Lotto Fix ALL in Paris-Nice

Dear,

During Paris-Nice (6 – 13 March) Lotto Soudal will ride with the team name Lotto Fix ALL. Fix ALL is one of the most spread products of name sponsor Soudal. It's a universal and reliable adhesive and sealant for all professionals and handymen worldwide.

Dirk Coorevits, CEO Soudal: "This is a perfect occasion to put one of our top products in the limelight. Not only on the French market, which is very important to us, but because Paris-Nice is a WorldTour race with visibility in 170 countries we will reach people all over the world. We hope that our team, regardless of the recent crashes, will start at full strength and a result as good as in Paris-Nice 2015 would of course be wonderful!"

Vermarc supplied the team with special Fix ALL shirts, Lazer did the same with helmets and Ridley's customizer gave the bikes for Paris-Nice the right Fix ALL touch. To promote Lotto Fix ALL on social media a video was made with Tony Gallopin, in which the Race to the Sun is linked to Fix ALL. At the end Tony Gallopin 'glues' a team car of Lotto Soudal into a Lotto Fix ALL team car. https://youtu.be/6vOvPW0Pb88

Lotto-Soudal wordt (eventjes) Lotto-Fix All

Lotto-Soudal zal in Parijs-Nice in een andere trui en onder een andere naam rijden. De rode truitjes krijgen acht dagen lang een dominante grijs-blauwe kleur, zoals Tony Gallopin (foto) demonstreert, en op het shirt en de volgwagens zal niet Lotto-Soudal prijken, maar wel Lotto-Fix All. Reden: Fix-All is één van de meest verspreide producten van hoofdsponsor Soudal. Via Parijs-Nice, dat zondag begint, wil Soudal de bekendheid van het product vergroten. (WVG)

Lotto-Soudal zal in Parijs-Nice (6-13 maart) rondrijden als Lotto Fix All. Daarmee wil de ploeg de lijmkit van co-sponsor Soudal promoten op de belangrijke Franse markt. ★ **Philippe Gilbert** (BMC) onthulde in Valkenburg een plaquette ter ere van zichzelf in de mergelgrotten onder de Cauberg. Gilbert heeft een speciale band met Nederlands beroemdste wielerheuvel. Hij won er al drie keer de Gold Race en werd er in 2012 wereldkampioen ★ **Joaquim Rodriguez** (Astana) is uitgeteld van de griep die hem in de Ronde van Valencia en Tirreno-Adriatico deed Sol hield, maar heeft nog geen zicht op een terugkeer in competitie ★ **Andrea Guardini** (Astana) won de zevende en voorlaatste rit in de Ronde van Langkawi. **Reinardt Janse van Rensburg** (Dimension Data) begint als leider aan de slotdag ★ **Chris Froome** wil Sky-ploegmaat **Geraint Thomas** in de olympische wegrit in Rio aan een medaille helpen, als tegenprestatie voor diens knechtenwerk in de Tour ★ **Sven Nys** blijft zich uitsloven om **Lars Boom** (Astana) naar Telenet-Fidea te halen. De Nederlander zou naar verluidt steeds harder denken aan een terugkeer in het veld. *(JDK)*

Viral **MOVIE**

For the launch of Lotto Fix ALL®, a one minute movie was made starring two heroes: the newly launched Fix ALL® High Tack Clear cartridge rolling its way from Paris to Nice, and 2015 Paris-Nice queen stage winner Tony Gallopin, using the cartridge to 'glue' a Lotto Soudal team car into a Lotto Fix ALL® one. A low budget movie with wide audience visibility on Youtube, Facebook, Twitter and mainstream online sports media that adopted the movie.

Hospitality

We invited some important Fix ALL® clients for **the cycling experience of a lifetime!**

a **Creative wink** by Adam Hansen

Lotto Fix ALL® Paris-Nice rider Adam Hansen is not only a genuine sports hero – he is the first cyclist ever to finish 13 consecutive grand tours – he is also an IT wizard and a keen creative. While the original Lotto Fix ALL® avatars were made by Japanese Lotto Soudal fan Midori Yamada, Adam made up his own Fix ALL® alter ego: **the Adam Hansen Lotto Fix ALL® Minion**.

The **Ridley** Fix ALL **bike**

- Our sponsor partner and official team supplier Ridley used its customizer to create a special Lotto Fix ALL Paris-Nice bike for the team. The bike was so 'wanted' by cycling fans and collectors that Ridley commercialized it in a limited edition promotion.
